School Board met last night and allowed hills to the amount of \$869 71. The English dictionaries have been purchased and eight additional German dictionaries were ordered. A communication from Supt. Brown in regard to enforcing the Compul-

teachers the privilege of attending the meeting of the Central Ohio Teachers' Association to be held at Columbus, October 24th and 25th. On motion the Board ad-

All the available space at the Library was occupied at an early hour last night by persons auxious to witness the long lookedfor inauguration, when the Lane Library was announced to be a free circulating library, accessible to all persons above the age of ten years. The short but appropriste ceremonies commenced with prayer by the Rev. J. R. Gaff, followed by music, Superintendent Brown then delivered an introductory address, in which he spoke of the development of intelligence Yesterday evening the weather was cool, he spoke of the development of intelligence clear and frosty. The first reminder that winter will soon be with us.

he spoke of the development of intelligence and the benefits derived therefrom, of the winter will soon be with us. indebtedness which we are under to our ancestors for the noble library we have, composed of works from the most learned and accomplished authors. Wm. Huber, Jr., then read a poem entitled "Let there be light," one of the many original productions of this young poet. Its hearty reception by the audience is sufficient praise. After listening to music, J. L. Martin, Esq., delivered a historical sketch, in which he said: "The Lane Free Library owes its existence to the munificence of Mr. Clark Lane, whose name it bears. The building was erected on ground of his own at Mr. Lane's expense, and he furnished it and bought and placed in it for the use of the public nearly two thousand standard volumes. In addition to this, for more than a year he bore the expenses of operating it, and of keeping it supplied with the leading Amergun in April 1866 and formally opened to gun in April 1866 and formally opened to the public Oct. 20th of the same year. On the 24th of February, 1868, a deed of con-veyance of all the library property, includ-ing books and fixtures, to the City Council for the use of the public, was executed. The total number of volumes in the library at present is 3,249. "It is to be hoped that our people will take a deeper interest in the Lane Free Library, now that it is a circulating library, and that, through their generosity, the number of volumes

> the best of men." The exercises closed with singing "America," in which the audience joined.

> "The Use of Libraries," a paper by Dr. J. R. Brower, was a review of the libraries of the world from its foundation to the present

time, stating of what and how they were

composed, and the great value of having a

library that contains solid reading matter for the enlightenment of mankind. The

Dr. also said: "Solid reading is good, but a

little nonsense now and then is relished by

A movement is on foot to institute a Lodge of Knights of Honor in this city.

Steamboat Movements.

The Florence Meyers leaves at 4 p. m. for Chilo in place of the City of Portsmouth. Remember Capt. J. D. Hegler's Great Golden City leaves to-morrow evening for New Orleans.

The Emma Graham leaves to-day at 4 p. m. for Huntington.

The fine light draught Katie Hooper leaves to-day for Huntington under the anspices of the Big Sandy Packet Company

and with the Telegraph crew. Boat-hands' Gossip.

Business fair. Weather clear and pleasant, The Jas. W. Gaff leaves St. Louis for Cin-

cinnati to-morrow.
From yest-rday's Nashville American:

From yesterday's Nashville American:

"The stockholders of the Cumberland River Navigation Company met at the office of Martin, Fleming & Co., yesterday afternoon, and elected M. B. Pilcher President, Clinton Byrne, Treasurer, and D. G. Patterson, Secretary."

Yesterday's St. Louis Post-Dispatch says:
"John Blythe is master of the John Means, Captain Hi. Davis went home to Ashland, Ky., last evening to see the old woman. Jo Norton, the old steambost clerk, went up to the mountains a few months ago with a very light purse. The last number of the La Plata Miner, Colorado, says he is numbered among the bonanza kings of that region. This is the result of carbonate mines he discovered on the Dolores River. A considerable town, Rico City, has already sprung up near Norton's discoveries."

The river feil I inch in the past twenty-

ip near Norton's discoveries." The river fell I inch in the past twenty our hours ending at noon to-day with 4

four hours ending at noon to-day with 4 feet 1 inch scant in the channel.

Shippers will find the Dora Cabler in port this afternoon locding to leave to-morrow for Evansville and all intermediate points. She is a fine light draught packet and her officers are clever gentlement.

As will be seen by your advertisement the state of officers are clever gentlemen.

As will be seen by vour advertisement the new steamer W. N. Chancellor is au-

nounced to leave to-morrow evening for Pomerov. Capt Scovill's new steamer was launched from the ways at Howard's last evening.

Three and a half on Portland Bar yester day, four feet at Puppy, and five at the other "shaller" places.

To-day's Louisville Courier-Journal says

The Dora Cabler lands at Cincinnati, discharges and receives her cargo, and pays \$3.65 for wharfage. It costs her \$5 to land here, going up or coming down. She passed up yesterday, with one hundred and fifty people on board, for—Cincinnati. Louis-ville is blind."

The Ladies' Bazar.

The Ladies' Bazar was well attended yes terday afternoon and the ladies seem greatly encouraged. The respective booths have received numerous additions, and nearly everything now is in perfect order and pre-sents a beautiful appearance. Artistic skill has been displayed in the arrangement of the flowers, plants and goods on exhibi-tion, and the sight is well worth a visit to the hall. The goods are marked at what the ladies think them worth, and will not be sold for less; and if any goods remain unsold at the close of the Bazar a store will be opened at the hall in the charge of some competent person and the articles sold off in this way. At the Bazar to-day R. Beeten is Master of Ceremonies.

John Gartner, a tinner, doing business at No. 599 Vine stree with his father, was working this morning on the roof of a house on the corner of Pleasant and Liberty streets, when he lost his balance and fell to the pavement below. Dr. Rausohoff was summoned and found that the young man had broken his right leg.

The case of Kittie Bennett, indicted for keeping a house of ill-fame on Eim street, was again called up to-day before Judge Smith. The testimony of Drs. Harrison and Davis and Coroner Carrick took up all the time of the Court this morning. It is the opinion that she can not be con-
